Hi Diana,

You are still the lead on Quad O/Oa, yes? Can you answer this question? Thanks!

Cynthia,

If you have an storage tank affected facility that was subject to Quad O and reported in the Quad O Annual Report prior to finalization of Quad Oa, do you continue to report that affected facility in Quad O Annual Report or do you add it to the Quad Oa Annual Report going forward and discontinue reporting under Quad O?

60.537(a)(d) (d) You are deemed to be in compliance with this subpart if you are in compliance with all applicable provisions of subpart OOOOa of this part.

Thanks,
Gayle
